I hereby accept Hong Kong Coin Show Limited's invitation to participate in their 8th Hong Kong Coin Show as an exhibitor and understand the following:

'Exhibition representatives who do not ordinarily reside in Hong Kong will be required to obtain a "Temporary Working Visa" when engaging in retail activities". If the exhibitor's activities are focused on promotion without engaging in retail sales, he/she will not need to apply for a work permit.'

HKCS Limited will endeavor to help exhibitors apply for the said "Temporary Working Visa" but if the application is unsuccessful due to any reason or an application is not made then HKCS Limited reserves the right to employ a local helper for three days at the expense of the exhibitors.

Alternatively, the exhibitor may employ a valid local helper themselves to conduct retail sales activities and thus the responsibility of checking the validity to work in Hong Kong will lie with the exhibitors.
